Act Request

Mr. Barrow,

The time in which to produce the requested document has long since passed. Please produce the requested documents by 12:00 noon on Friday, September 28th. If the documents not produced by that time, I will file a Petition for Writ of Mandate requesting the Court to direct the Department to turn over the requested documents and to award petitioners their attorney's fees and costs.

I also submitted a separate PRA request on September 12th. The Department's statutory time (10 days) in which to object to the request has expired. The requested documents that are the subject of that request also need to be made available as soon as possible.

Don Mooney
